OUR PROGRAMS

The national programs implemented by the Boys & Girls Clubs of America have proven successful over the years and taken care of the most unrelenting issues facing youth in today's society. These programs have taken members from the Clubhouse to the White House, from the game room to the corporate boardroom, and from the high school orchestra to Carnegie Hall. The young people who complete our programs not only have mentors they can look up to, but they also learn necessary skills to lead a successful life.

Boys & Girls Clubs of Kentuckiana (BGCK) is an out-of-school time provider, offering a safe haven for youth who need us most. We open our doors and our arms to kids ages 6-18, in a safe, positive environment. Inside our Clubs, kids are greeted by name by adult youth professionals in a fun, family atmosphere. We have 3 priority outcome areas we focus on.

Academic Success, Citizenship & Character, and Healthy Lifestyles.
